

SAVE THE DATE: SUNDAY, OCTOBER 24, 2010 AN HISTORIC DAY FOR ROTARY: THE BEGINNING OF THE END OF POLIO.

I know that every Rotarian in District 5170 is proud of our efforts to rid the planet from the scourge of Polio, and that is why this message is going out on a District wide basis.

Rotary International has been active in letting the world know how serious we are in our efforts to eradicate this disease by illuminating such world icons as: The Coliseum in Rome; The Pyramids of Egypt; and the Parliament Building in London. Well were going to show the Bay Area that we are serious too!

**ON OCTOBER 24, 2010 THE FOUR DISTRICTS ADJACENT TO THE BAY
WILL SPONSOR THE LIGHTING OF THE SAN FRANCISCO FERRY
BUILDING WITH THE END POLIO NOW LOGO AND THE ROTARY
WHEEL!**

**WE ARE GOING TO TELL THE RESIDENCES OF CENTRAL CALIFORNIA
THAT ROTARY, MORE IMPORTANT ROTARIANS, ARE COMMITTED TO
FINISHING THE JOB!**

Our day will begin at 11:00 am as we gather to demonstrate our resolve by walking 1.2 miles across the Golden Gate Bridge. Arm in arm, hand in hand we will wear our Rotary shirts and caps, and show what Rotarians can accomplish.

We will then move to the Ferry Building and shop and dine until the big moment!

**AT 6:30 PM LASER LIGHTS WILL ILLUMINATE THE FERRY BUILDING SO
THAT EVERYONE WILL SEE ROTARY AT ITS BEST!**

This will be an historic day for Rotary and the Bay Area, don't be left out, come and join the fun and be a part of history.

See you there....

Roger Hassler, District Governor 5170
