Subject: Eagle Project

Dear Mr. Cosentino,

I am writing to let you know that I have completed my Eagle Project to build a brick walkway at San Jose History Park that the Rotary Club generously donated funds for. I was able to raise the rest of the money I needed by recycling bottles and cans. I thought you might like to see pictures of my project taken at different stages of the work, which are attached. San Jose History Park was very happy with the outcome of my project.

Thank you again for the funds the Rotary Club donated that made it possible for me to complete my project.

Sincerely,

Isaac Tysanner
