GALA AWARDS NIGHT

And what a night it was. Webster's says that "gala" means festivity, pleasure, a gay celebration. If Webster had been there, he would have added a few more superlatives, and would have had a ball.

After cocktails and dinner, President BRUCE proceeded with the awarding of the following Paul Harris Fellowships:

Dick Cunningham, Jane Engles, Rich George, Eric Joseph, Beryl Maher, Joan Nave, Dave Leslie

The following PHF's were surprises to the recipients:

Annie Griswold, Joan Hines, Sue Roy, Carolyn Oliveria, Bette Stednitz

Congratulations to all the above, the money will be used for good purposes.

President BRUCE then reviewed the achievements of the Club for the year. A summary of his statements are as follows:

1. Number one is District 517 in attendance.
2. Membership went from 49 to 54, over a 12% gain.
3. Rotary Foundation - the above speaks for itself. \$318 per capita, \$15,200 total, we went from 12,700 to 15,800 plateau, 14 new PHF's.
4. The Club participated in all District 517 events to a level probably exceeding any other club in the District, 20 people to the Foundation dinner, 40 people to the Ed Cadman dinner, 23 people to the International Convention at Las Vegas, many attended the District Assembly.
5. Our community service project for the year was the Pioneer High School project, installing benches, planters and resodding the assembly area, in conjunction with the Parents Club.

6. World Community Service Project - Cuernavaca, Mexico, project.
7. International Youth Exchange - we hosted Sylvia, a high school student from Mexico.
8. For fund raisers, we conducted the County All Star Football Game, the concessions at the Ladies Professional Golf Tournament and the Sausage booth at the Almaden Arts & Wine Festival.

Editor's Note: President BRUCE - it is hard to conceive what else could have been done. We in the Club had one hell of a time keeping up - but with your leadership - we did it.
