

Dear Friends and Supporters,

It's been a hot Summer here in Northern CA. It's hard to believe that it's already August. Kids are going back to school, vacations winding down, and Operation: Care and Comfort (OCC) is preparing for the 3rd annual Frank-Lin Distillers Charity Golf Classic — which has sold out every year!

This Summer, we've distributed thousands and thousands of FREE tickets to see the SF Giants, Oakland A's, Sacramento Kings, San Jose Earthquakes, San Jose Giants, concerts and more. Happy we are able to provide service members, veterans and their dependents with so many FREE top-rate opportunities here in the Bay Area and Northern CA!

Our key volunteers meet on Monday mornings, but we have had to add at least one more day or more a week for a few months. We have companies and organizations across the country who have found our fantastic website, loved our story and have set up care package collections and packing events for us. We take great pride in this, and are honored to partner with them to support military units overseas.

Did you know that we currently have over 40,000 troops still deployed in the Middle East? Yes, Iraq, Syria, Jordan, Kuwait, and more. The current average temperature in Iraq is 115 degrees! Our packages are sent to units on many continents who need our support, even if you rarely hear about them in the news.

September 13th, Frank-Lin Distillers Products is hosting their 3rd annual Charity Golf Classic, which benefits OCC. If you are interested in a sponsorship, foursome or donating silent auction or raffle prizes, please shoot an email to me. This event is so much fun and is held in the North Bay — at the beautiful Rancho Solano Golf Course in Fairfield, CA. Join us!

Enjoy August. Stay cool and safe. We will chat with you next month. As always, feel free to contact me or any of the OCC team with your questions and comments. We love hearing from you.
