Dear Mr. Johnson,

The Almaden Valley Rotary Club had a very successful event at the Almaden Valley Art and Wine Festival on Sunday, September 25th.

Thanks to your donation of the ice cream and freezer, we sold over 300 root beer floats. The monies realized from this function aid the operation of the club and make possible donations to local and regional charities.

If you would like to attend a weekly meeting, contact me, or Paul Venezio. It would be our honor to thank you personally and introduce you to the club.

Thank you again for your donation.

Sincerely,

Jerry Gibson
